Build a web app by phone.

+1 917 512 5901

Text it or call it. Say what you want to build.

1. **Scan** to open a text, or just type the number.
2. **Say what to build.** "A page that counts pigeons."
3. **Get a link** in about a minute. Text again to change it.

12:30 PM · Loeb Boathouse
Demo circle. Everyone shows their link.

No food. Bring water.

walk.dweller.sh/wall
Every app built today, live.
